

Progressive Edge Lean Six Sigma Green Belt

Local, Evening Classes in Temecula, CA Starting January 7, 2020

Tuesday night classes, perfect for busy professionals like you!

Students will learn LSS concepts that apply to all industries (healthcare examples included) and apply them to a current project delivering real business results. This training aligns with ASQ BOK and provides 4 CEUs (CECs, RUs, PDUs) upon completion of classes and required project. The project will target an annualized hard savings of at least \$40,000; our LSS GB teams have historically delivered an average savings of \$130,000. This is Green Belt Certification Training with a LSS Certificate of Completion awarded.

These in-person classes provide hands-on instruction and learning. Our Temecula location is easily accessible from Interstate 15 and is midway between San Diego and Ontario.
