

ProgressivEdge Lean Six Sigma Green Belt Refresher (with Minitab)

April 3, 2020 (Friday)

San Diego, CA

This refresher course focuses on using Minitab. If you were taught to use SPC XL or a different statistical program and want to begin using Minitab for your process improvement needs, this is the class for you! It also includes a review of key Lean Six Sigma concepts which any LSS GB trained person can benefit from (especially if it has been a few years since your training). Students must bring laptops with Minitab already downloaded. Certificate of Completion listing 0.7 CEUs is available upon request.

Prerequisite: must be Lean Six Sigma Green Belt trained before attending
