

Progressive Edge Lean Six Sigma Green Belt

(Note: No prior training required before attending this session.)

Live Instructor and Students on-line via Zoom

Fall 2022

During this 6-day course, students will learn Lean Six Sigma (LSS) concepts that apply to all industries (healthcare examples included) and apply them to a current project to deliver real business results. This training aligns with ASQ BOK and provides 4 CEUs (CECs, RUs, PDUs) upon completion of classes and the required project. Projects will deliver hard savings and other quantifiable improvements. This is Green Belt Certification Training with a LSS Certificate of Completion awarded.

\$1,700
per student*
